Re: International Patent Application No. PCT/IL03/00515
International Publication Number WO 03/105,659
Robot for Use with Orthopaedic Inserts

Dear Sir,

The 30-month deadline for filing National Phase applications based on the above-referenced PCT is now less than 1 month away, and we have not yet received the International Search Report thereon.

Kindly fax the Search Report without further delay to the following facsimile number, +972-4-637-7234.

Yours sincerely,

Moshe Shoham
